NOTICE OF TRANSFER OF TELEPHONE SERVICE

Dear Adelphia Business Solutions Customer:

As you may know, Adelphia Business Solutions ("Adelphia") recently filed for bankruptcy protection and, as a part of its reorganization plan, will focus on provisioning facilities-based services to its customers. As a consequence Adelphia will no longer provision local exchange and exchange access services through the resale of SBC Ameritech's retail telecommunication services ("Total Services Resale"). The reason that Adelphia and SBC Ameritech ("Ameritech") are mailing this letter to you is because you are an Adelphia Total Services Resale customer.¹ Accordingly, Adelphia will no longer be providing your business with local telephone service, local toll telephone service, and long distance service on approximately September 21, 2002.

In order to ensure that you continue to receive telephone service without disruption, Adelphia and Ameritech have entered into an agreement for Ameritech to provide your business local telephone service and local toll service, unless you choose another provider. Upon receipt of this letter you may transfer your local telephone and local toll service to Ameritech or any other carrier of your choice. If you have not transferred your service to Ameritech or another carrier by September 21, 2002 (the "Selection Date"), then between September 21st and October 11, 2002 (the "Transfer Period"), your local telephone and local toll service will be transferred to Ameritech as outlined below in accordance with applicable rules of the Federal Communications Commission ("FCC") and the Public Utilities Commission of Ohio.

You have a choice in selecting your telephone service provider.

- 1) If You Select Ameritech for Local Phone and Local Toll Service by the Selection Date:** Please contact Ameritech at 1-800-660-7217 for business local telephone and local toll service as soon as possible. Ameritech will provide you with the local phone and local toll services you request, and it will make long distance service available to you from the carrier of your choice. You may be able to retain your existing Adelphia telephone number with Ameritech service. Your Ameritech customer service representative will confirm your number retention when you call for service. Ameritech will not charge you its customary new connection fee or any other change of carrier charges.
- 2) If You Do Nothing by the Selection Date:** If you have not transferred your local phone and local toll service by the Selection Date, these services will be automatically transferred to Ameritech during the Transfer Period at no cost to you, and you will not experience any service outage. You may be able to retain your existing Adelphia telephone number with Ameritech service. In accordance with the applicable rules of the FCC and your state public utilities commission, services will be provided to you as follows:

¹ If you receive this notice from any other source or by any other means of delivery, please call this toll free number 1-877-660-1235. Your service is not being transferred nor is Adelphia withdrawing from providing your service unless you are sent a formal notice directly by Adelphia and Ameritech.

- a. Local Phone Services – Ameritech will provide approximately the same local phone services as you were receiving with Adelphia at Ameritech's approved rate structure. In addition, Ameritech will not charge its customary new connection fee or any other change of carrier charges. See attached summary of Ameritech's service terms and conditions for more details. Ameritech's rates, terms and conditions will be applicable on the date Ameritech becomes your service provider. Ameritech will contact you by mail or telephone to advise of any post-transfer changes. In addition to the attached summary, Ameritech has attractive pricing programs and packages for local business service which your Ameritech representative can discuss with you.
- b. Local Toll and Long Distance Services –
- 1) Adelphia Local Toll and Long Distance Customers – If you used Adelphia for local toll and long distance, you will be transferred with Ameritech local toll service at Ameritech's approved rate structure. However, you will be transferred without a long distance provider and will need to either immediately contact Ameritech at the above-referenced phone number in order to choose a long distance provider or contact a long distance provider directly.
 - 2) Local Toll and Long Distance Customer of Another Carrier – If you used a long distance carrier other than Adelphia for local toll and long distance services, you will receive the same service from the same carrier.
 - 3) Local Toll from Adelphia and Long Distance from Another Carrier – If you used Adelphia for local toll, but another carrier for long distance, then Ameritech will provide your local toll service at Ameritech's approved rate structure, and you will continue to receive your long distance service from the same carrier.
 - 4) Long Distance from Adelphia and Local Toll from Another Carrier – If you used Adelphia for long distance, but another carrier for local toll, you will be transferred without a long distance provider and will need to either immediately contact Ameritech at the above-referenced phone number in order to choose a long distance provider or contact a long distance provider directly, and you will continue to receive your local toll from the same carrier.

If you have a preferred carrier freeze that prevents unsolicited changes on your local phone, local toll, and/or long distance services, and have not contacted Ameritech or another provider by the Selection Date, the freeze will be lifted and your services transferred according to this section. You must contact Ameritech to arrange for the freeze protection to be reinstated after the transfer.

- c. Service Adjustments – You may make adjustments and changes to your service from Ameritech at any time by calling service representatives (per your billing statement).
- 3) **If You Select Another Provider before the Selection Date:** Please be aware that if you transfer your local phone service to a provider other than Ameritech, **you may incur a new connection charge**, and you must make arrangements with that service provider to transfer your service prior to the Selection Date.

Adelphia will no longer make any new changes to your Adelphia telephone service, and Adelphia has responsibility for handling any outstanding complaints or disputes that may exist between you and Adelphia or another carrier. You will be responsible for any account balance due Adelphia through the date of transfer. After the payment of your final bill to Adelphia, any deposits or credits that may be due to you from Adelphia will be sent to you within 30 days following the discontinuation of your telephone service.

If you have any questions regarding your Adelphia telephone service or the transfer of your service, please direct any questions you may have to Adelphia at 1-877-660-1235. Adelphia will work with you to attempt to resolve any outstanding issues involving its service. If you have any questions about Ameritech's telephone services or features, please contact Ameritech at 1-800-660-7217 or visit their web site at www.sbc.com.

Ameritech looks forward to meeting your communications needs. Please see attached terms and conditions as well as promotional materials for attractive offers concerning Ameritech products and services.

Sincerely,

Adelphia
